

8th Austrian Peptide Symposium

13th of December 2018

St. Virgil Salzburg

Ernst-Grein-Straße 14, A-5026 Salzburg

Topics to be covered:

- Peptide Chemistry & Mimicry
- Bioactive Peptides
- Peptide & Protein Structure, Biophysics and Analytics

Confirmed speakers:

Jutta Eichler (FAU Erlangen-Nürnberg, Germany)

Knud Jensen (University of Copenhagen, Denmark)

Anja Hoffmann-Röder (LMU, Germany)

Jan Münch (University of Ulm, Germany)

Sebastian Dutertre (University of Montpellier, France)

Hans Brandstetter (University of Salzburg, Austria)

Sandro Keller (Technical University of Kaiserslautern, Germany)

Visit the symposium website for further details at:

<http://www.meduniwien.ac.at/pharmakologie/ms/AustrianPeptide.html>

During the symposium coffee, snacks, soft drinks and a light lunch will be provided. After the scientific session there will be social-gathering with food and drinks served.

Start of registration & abstract submission: 3rd September.

The meeting is held under the auspices of the European Peptide Society.

We would like to thank our sponsors for this event:
